Introducing SIX Card Solutions

SIX Card Solutions Group Luxembourg SA, (formerly 3C Communications International SA) has been at the forefront of card processing for more than 20 years in over 30 countries. SIX Card Solutions provides innovative payment processing solutions to a wide variety of industries, particularly hotels, restaurants, parking, retail, vending and e-commerce. SIX Card Solutions is committed to solutions and services that meet your requirements worldwide.

SIX Group, which emanated from the merger of the SWX, Telekurs and SIS at the start of 2008, operates Switzerland’s financial market infrastructure. With around 3,600 employees in 23 countries, the company offers comprehensive services in the areas of securities trading, clearing and settlement, as well as financial information and payment transactions.
