MEDIOS DE PAGO

## Your Partner for Payment Technologies

### Introduction

**AZKOYEN Medios de Pago** is a division of the Multinational **AZKOYEN** Group. Since 1945, we are working in an increasing number of sectors, spreading to more countries and dealing with a growing number of companies. Our philosophy is based on collaborating with our customers to develop a wide range of creative, secure, technological payment systems designed with the end user in mind.

### Our commitments

#### 1. To attend your security requirements

- Total efficiency against counter faits guaranteed
- Anti-liquid design

#### 2. To make machine design easier

- Wide range for each application
- Recovery motor
- Extending coin guides

#### 3. To reduce operational cost

- Modular design witch simplifies maintenance
- User friendly tools and software

### Standards

The entire range of AZKOYEN Coin Validators complies with the following standars:

- **CE**
- **Rohs**
- **BACTA standards**

Your Partner for Payment Technologies

## Combo T
