

Contralco is an SME based in Montpellier, recognized for its impeccable know-how.

- SPECIALIZED IN THE MANUFACTURE OF SINGLE-USE ALCOHOL BREATHALYSER
- LOCAL ACTOR FOR OVER 35 YEARS
- WORLD LEADER
- UNIQUE MANUFACTURER IN THE WORLD TO HAVE OBTAINED THE NEW SEVERE STANDARD NF (LEVEL OF REQUIREMENT: 0% DEFECT)
- 100% FRENCH MANUFACTURING
- DESIGNER AND CREATOR OF EDUCATIONAL TOOLS FOR THE PREVENTION OF ADDICTIONS AND ROAD HAZARDS

GOOD TO KNOW

- 1 * chrome-free and certified in compliance with European regulations and legislation (Reach) for environmental protection
- 2 * officially certified by the LNE to the new NF standards (no doubtful self-certification)
- 3 * optimum performance under all conditions and temperatures (-20 to + 70 ° C)
- 4 * for very simplified and perfectly hygienic use
- 5 * more legible, faster, and extremely reliable

EVER MORE RELIABLE

The NF standard guarantees 100% reliability

EVER FASTER

Alcohol Breathalyser reacts in less than a minute

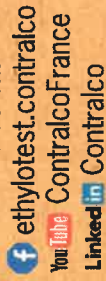

MORE TRANSPARENT

The reagent changes from white to red in the presence of alcohol
