PLOVDIV AIRPORT

Plovdiv Airport (Krumovo Airport) is the airport of the second largest city in Bulgaria- Plovdiv. The airport is located 12 km southeast from the city of Plovdiv.

PLOVDIV AIRPORT

Plovdiv Airport (Krumovo Airport) is the airport of the second largest city in Bulgaria - Plovdiv. The airport is located 12 km southeast from the city of Plovdiv.

The airport serves South-Central Bulgaria and a population of over 2 million people in a driving distance of 1.5 hours by road.

Plovdiv was recently named the oldest city in Europe, with a history dating back more than 6000 years. Situated in the very heart of the Balkan Peninsula, the city is an appropriate starting point for travelling around the region.
